- Personal Statement (Choose from 1 of the below topics to write about in 500 words or less)
  1. Describe where you envision yourself in 15 years, and how attending a service academy will help you attain this goal.
  2. What do you believe are the most important qualities to being successful in the military and how have you demonstrated these qualities?

## Agreement and Signature

If you have not already initiated an application with the academy, you should do so as soon as possible to prevent any delay in the nomination process. A nomination does not guarantee appointment to the academy; however, no appointment can be offered without one. You should seek a nomination from as many sources as possible.

It is important to have a backup plan because notifications from the service academies often arrive after college deadlines have passed, including opportunities to seek scholarships. My office is often contacted by ROTC programs at colleges seeking information on highly qualified candidates who may not receive an offer of appointment to a service academy.

With your permission, when asked, may we share your contact information with such entities? Yes  No

### APPLICATION AGREEMENT:

It is my sincere desire to attend a U.S. Service Academy, and I intend to pursue a vigorous academic course of study if appointed. I understand that attending a service academy also requires military service following graduation, and I fully commit to this responsibility. I am a U.S. Citizen, or will be by July 1 of the year I will attend the Academy. I will be at least 17 years, but not yet 23 years of age, on July 1 of the year I attend the Academy. I am not married. I am not pregnant, nor do I have any child support obligations. I am a legal resident of the 5th Congressional District of Missouri.

I certify that the information I have provided in the application packet is accurate. Any changes to this information will be reported immediately. Additionally, I understand that I will not be considered for a nomination if the required documents are incomplete or are not received by the deadline.
