Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Bruce R. Watkins Connector Community Park Project, in fiscal year 2023. The entity to receive funding for this project is Kansas City Missouri Park and Recreation Department, located at 4600 E 63rd St. Kansas City MO 64130. The funding would be used for recreational opportunities for the neighborhoods that were fractured by the Bruce R Watkins Highway Project and the Brush Creek Flood Control Project. The planned improvements include a skate park that will provide a place for people of all ages to skateboard, inline skate, and ride non-motorized scooters, roller hockey rink, and a skating ribbon. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Emanuel Cleaver".
