Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for trail enhancement in Fiscal Year 2027. The entity to receive funding for this project is the municipal government of Grandview, Missouri, located at 1200 Main Street, Grandview, MO 64030. The funding would be used to enhance safety, accessibility, and community connectivity for alternative transportation and recreational users of the Hwy 150 Trail, which has reached its functional lifespan and is currently struggling with poor surface conditions and limited usability. Through this project, the City proposes to remove the deteriorated trail and construct a new, more modern shared-use trail. The project is an appropriate use of taxpayer funds because it will promote public safety, transportation alternatives, encourage recreation activities, benefit future economic development, and address an important regional trail connection available to the public.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Emanuel Cleaver, II".
