Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for View Community Center Enhancements in Fiscal Year 2027. The entity to receive funding for this project is the municipal government of the City of Grandview, Missouri, located at 1200 Main Street, Grandview, MO 64030. The funding would be used to upgrade and revitalize Grandview View Community Center, a critical community support space, with an emphasis on offering a wider range of programming for the city's youth and young adult populations. The current building is limited in capacity and design, making it difficult to meet the growing needs of the Grandview area. The project is an appropriate use of taxpayer funds because expanded youth and young adult-focused programming helps reduce idle time, strengthens social connections, and provides a safe alternative to unsupervised or high-risk environments.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Emanuel Cleaver, II".
