The Honorable Rosa L. DeLauro
Ranking Member
Committee on Appropriations

Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for site remediation in Fiscal Year 2027. The entity to receive funding for this project is the Kansas City Area Transportation Authority located 1350 E 17th St, Kansas City, MO 64108. The funding would be used for environmental cleanup, demolition, and erosion control necessary to prepare the site for eventual transit-oriented development. The project is an appropriate use of taxpayer funds because the converted site will improve transit options for all residents and users of the KCATA system.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Emanuel Cleaver, II".
