Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Longview Automotive Institute in fiscal year 2025. The entity to receive funding for this project is Metropolitan Community College - Longview, located at 500 SW Longview Road, Lee's Summit, MO 64081.

The funding would be used to provide equipment for training programs within Automotive Technology and Collision Repair, launch a program in Diesel Technology, and permit development of new program tracks focusing on Electric Vehicle Maintenance and Repair. The project is an appropriate use of taxpayer funds because the development of these programs will add both workforce development and economic development to the region.

The project has a Federal nexus because the funding provided is for purposes authorized in 42 U.S.C. Section 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Emanuel Cleaver, II".
